Index to Hawaii Medical Journal Volume 63, 2004

Compiled by Carolyn S.H. Ching MA, MLIS and Marlene M.A. Cuenco MLIS

Keyword Index

ABNORMALITIES. Rates for specific birth defects among Native Hawaiians compared to whites, Hawaii 1986-2000, 63(8):238

ABSTRACTING AND INDEXING. Index to Hawaii Medical Journal volume 63, 2004, 63(12):375

ACCIDENTS, TRAFFIC. Doctors are most likely to be involved in auto accidents [Editorial], 63(1):4

ACUTE DISEASE. The virtual hospital: treating acute infections in the home by telemedicine, 63(10):291

ADENOCARCINOMA. Are immune responses pivotal to cancer patient's long term survival? Two clinical case-study reports on the effects of morinda citrifolia (noni), 63(6):182

ADENOSYLMETHIONINE DECARBOXYLASE. The role of polyamines in human cancer: prospects for drug combination therapies [Cancer research center hotline], 63(12):371

ADOLESCENT. Overweight and obesity, a worsening health problem particularly in children [Cancer research center hotline], 63(3):91

AGE DISTRIBUTION. Melanoma and Hawaii's youth, 63(3):87

AGED. Polypharmacy, complementary and alternative medicines (CAM), and cancer [Cancer research center hotline], 63(11):349

AMERICAN COLLEGE OF PHYSICIANS. HAWAII CHAPTER. Guest editor [Editorial], 63(9):257

--- What's old and still on the horizon history of the ACP-Hawaii [Editorial], 63(11):328

AMPUTATION, TRAUMATIC. An international landmine telehealth symposium between Hawaii and Thailand using an Internet2 and multi-protocal videoconferencing bridge, 63(10):294

ANACARDIACEAE. The ubiquitous contact dermatitis from mango, poison ivy, and other "poison" plants: a humorous and interesting review. 1968 [Classical article], 63(8):231

ANEMIA REFRACTORY. 5-azacitidine: an alternative treatment of myelodysplastic syndromes in patient with refractory responses to hematopoietic growth factor: a case report and review of literatures, 63(1):14

ANGINA, UNSTABLE. Severity of chronic kidney disease did not influence bleeding during treatment of acute coronary syndromes, 63(11):333

--- Gender differences in therapy for patients admitted for unstable angina and myocardial infarction with underlying chronic kidney disease, 63(11):337

--- Bleeding risk in patients with underlying chronic kidney disease admitted for acute coronary syndromes, 63(11):344

ANTI-BACTERIAL AGENTS. Oral antibiotics and breast cancer [Editorial], 63(6):172

ANTIPHOSPHOLIPID SYNDROME. Catastrophic antiphospholipid syndrome: a "catastrophic" case of systemic lupus erythematosus, 63(12):362

ARRHYTHMIA. Fatal postoperative arrhythmia in a man with a remote history of methamphetamine and cocaine use: a case report, 63(3):82

ASIAN AMERICANS. AANCART comes to Hawaii [Cancer research center hotline], 63(6):189

ASTHMA. A community-based asthma management program: effects on resource utilization and quality of life, 63(4):121

ATTITUDE OF HEALTH PERSONNEL. Physicians and complementary-alternative medicine: training, attitudes, and practices in Hawaii, 63(6):176

--- Medicine, meditation, and Osler's aequanimitas, 63(7):201

--- virtual hospital: treating acute infections in the home by telemedicine, 63(10):291

AZACITIDINE. 5-azacitidine: an alternative treatment of myelodysplastic syndromes in patient with refractory responses to hematopoietic growth factor: a case report and review of literatures, 63(1):14

BOOK REVIEW. Public speaking made easy [Book review], 63(4):105

--- I'm third: an american boy of depression years [Book review], 63(5):146

--- Cross-cultural medicine [Book review], 63(12):361

BREAST NEOPLASMS. Insulin-secreting cystosarcoma phyllodes of the breast: a case report and literature review [Residents' case series], 63(7):211

--- Oral antibiotics and breast cancer [Editorial], 63(6):172

BUDGETS. Commentary. 2004 [classical article], 63(5):147

CADAVER. The JABSOM willed body donation program, a unique medical educational experience [Medical school hotline], 63(8):243

CANCER BIOMEDICAL INFORMATICS GRID. The cancer Biomedical Informatics Grid (caBIG): pioneering an expansive network of information and tools for collaborative cancer research [Cancer research center hotline], 63(9):273

CANCER RESEARCH CENTER OF HAWAII. University of Guam / Cancer Research Center of Hawaii partnership [Cancer research center hotline], 63(1):21

CARDIOVASCULAR DISEASES. Fatal postoperative arrhythmia in a man with a remote history of methamphetamine and cocaine use: a case report, 63(3):82

--- Management of patients with chronic kidney disease presenting with acute coronary syndrome, 63(11):330

CAUCASIANS. Rates for specific birth defects among Native Hawaiians compared to whites, Hawaii 1986-2000, 63(8):238

CEREBROVASCULAR ACCIDENT. Traditional Chinese medicine: applications to heart disease and stroke [Editorial], 63(1):6

CHILD. Overweight and obesity, a worsening health problem particularly in children [Cancer research center hotline], 63(3):91

CHINN, PATRICIA L. Implementation of Hawaii's prepaid health care act: root cause of a health care monopoly [Editorial], 63(4):104

CHYLE. Chyluria due to lymphatic filariasis: case report and review, 63(7):206

COCAINE. Fatal postoperative arrhythmia in a man with a remote history of methamphetamine and cocaine use: a case report, 63(3):82

COCKROACHES. The cockroach as a host for Trichinella and Enterobius vermicularis: implications for public health, 63(3):74

COLORECTAL CANCER. Ethnic disparities in colorectal cancer incidence and mortality in Hawaii [Cancer resarch center hotline], 63(2):54

COMMUNITY HEALTH SERVICES. A community-based asthma management program: effects on resource utilization and quality of life, 63(4):121

COMPLEMENTARY THERAPIES. Physicians and complementary-alternative medicine: training, attitudes, and practices in Hawaii, 63(6):176

--- Polypharmacy, complementary and alternative medicines (CAM), and cancer [Cancer research center hotline], 63(11):349

CONGRESSES. HCMS 78th annual meeting and installation of officers [Editorial], 63(2):36

--- Guest editor [Editorial], 63(9):257

--- international landmine telehealth symposium between Hawaii and Thailand using an Internet2 and multi-protocal videoconferencing bridge, 63(10):294

--- HMA Annual Meeting 2004: multi-tasking in medical professions at the 148th annual meeting of the Hawaii Medical Association, 63(10):314

CORONARY DISEASE. Management of patients with chronic kidney disease presenting with acute coronary syndrome, 63(11):330

--- Severity of chronic kidney disease did not influence bleeding during treatment of acute coronary syndromes, 63(11):333

--- Gender differences in therapy for patients admitted for unstable angina and myocardial infarction with underlying chronic kidney disease, 63(11):337

--- Bleeding risk in patients with underlying chronic kidney disease admitted for acute coronary syndromes, 63(11):344

COVER ILLUSTRATIONS. Auku'u, 63(1):3

--- Hula kane, 63(2):31

--- Kalo, 63(3):63

--- Pele dispersing the hala, 63(4):103

--- Mele po, 63(5):143

--- Menehune, 63(6):171

--- Hulu ula, 63(7):199

--- Ku'i poi, 63(8):227

--- Kukini, 63(9):255

--- 'Opae e, 63(10):283

--- Maika'i, 63(11):327

--- rainbow football, 63(12):359

CROSS-CULTURAL COMPARISON. Ethnic disparities in colorectal cancer incidence and mortality in Hawaii [Cancer research center hotline], 63(2):54

--- Patient characteristics, health status, and health-related behaviors associated with obesity, 63(5):150

--- Rates for specific birth defects among Native Hawaiians compared to whites, Hawaii 1986-2000, 63(8):238

CULTURE. Cross-cultural medicine [Book review], 63(12):361

CURRICULUM. The role of curriculum review at the John A. Burns School of Medicine [Medical school hotline], 63(1):18

--- Distance learning on the Internet: web-based archived curriculum, 63(10):287

DATABASES, BIBLIOGRAPHIC. ePoi: electronic pathways to online information facilitating access to Hawaii's online library resources [Medical school hotline], 63(5):157

DERMATITIS, CONTACT. The ubiquitous contact dermatitis from mango, poison ivy, and other "poison" plants: a humorous and interesting review. 1968 [Classical article], 63(8):231

--- Mango: Hawaii's forbidden fruit, 63(8):236

DEVELOPMENTAL DISABILITIES. Augmentation of Special-needs Services and Information to Students and Teachers "ASSIST" - a telehealth innovation providing school-based medical interventions, 63(10):300

DIABETES MELLITUS. Diabetes mellitus prevalence in out-patient Marshallese adults on Ebeye Island, Republic of the Marshall Islands, 63(2):45

DIGLYCERIDES. In search of novel molecular targets in cancer: the diacyglycerol pathways [Cancer research center hotline], 63(10):318
DISEASE FREE SURVIVAL. Are immune responses pivotal to cancer patient's long term survival? Two clinical case-study reports on the effects of morinda citrifolia (noni), 63(6):182
DOWN SYNDROME. Occurrence of neural tube defects and down syndrome among siblings, 63(4):127
DRUG THERAPY. In search of novel molecular targets in cancer: the diacyglycerol pathways [Cancer research center hotline], 63(10):318
--- role of polyamines in human cancer: prospects for drug combination therapies [Cancer research center hotline], 63(12):371
ECHOCARDIOGRAPHY. A novel approach to tele-echocardiography across the Pacific, 63(10):310
ECONOMICS, HOSPITAL. Commentary. 2004 [classical article], 63(5):147
EDITORIALS. Doctors are most likely to be involved in auto accidents [Editorial], 63(1):4
